**Commissioner for Patents**

The amendment filed on 07/05/2006 canceling all claims drawn to the elected invention and presenting only claims drawn to a non-elected invention is non-responsive (MPEP § 821.03). The remaining claims are not readable on the elected invention because Newly submitted claims 41-85 directed to Class 705/26-27 for electronic shopping using an operator interface, for example a web interface which a viewer able to purchase products used in the entertainment program, that is independent or distinct from the invention originally claimed direct to. Since applicant has received an action on the merits for the originally presented invention, claims 19-21, and 37-40 are direct to class 725/ 42, this invention has been constructively elected by original presentation for prosecution on the merits.

Since the above-mentioned amendment appears to be a bona fide attempt to reply, applicant is given a TIME PERIOD of ONE (1) MONTH or THIRTY (30) DAYS, whichever is longer, from the mailing date of this notice within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD UNDER 37 CFR 1.136(a) ARE AVAILABLE.
